

# A warm welcome to Y6...

## Business Studies

**Head of subject: Mr. Harrison**

### Our Team

Business Studies is a KS4 options subject. Students have the opportunity to pick this for GCSE as part of our bespoke curriculum. We are a small team of three, who all thrive on our passion to share knowledge of the business world with our students and encourage the entrepreneurs of the future to set up and run their own successful businesses and to learn and be inquisitive of the business world around them.

Mr Harrison

Mrs Bradley  
/ Mrs Wood

### Our Curriculum

Students have the opportunity to pick this for GCSE as part of our bespoke curriculum. We study how to set up and run a new business, how to market the business and business finances. Students also have the opportunity to further study Economics at A Level.

### Our Results

We have proudly achieved fantastic results at GCSE and A Level in recent years.

- In 2023, 93% of students achieved grades 4-9 in Business Studies GCSE.
- In 2023, 41% of High Storrs Business Studies students achieved grades 7-9. Across the country grade 7-9s accounted for 20% of the national cohort.
- In 2023 nearly half of our cohort, 47%, achieved an A\*-A grade in A Level Economics. 72% of Economics A Level students achieved grades A\* - B; many of whom went on to study Economics and Business at top universities around the country.

## Our Legacy

The Business and Economics department aims to equip the entrepreneurs of the future with the knowledge and skills to set up and work in today's ever-changing business climate. Providing students with an understanding of the business world and the dynamic economic climate, prepares students to thrive in whatever career choices they make.
